

บรรณานุกรม (ต่อ)

- ASTM D 3181-74. 1981. **Standard Recommended Practice for Rubber – Materials, and Procedures for Mixing Standard Compounds and Preparing Standard Vulcanized Sheets Characteristics Using Oscillating Disk Cure Meter**, Annual Book of ASTM Standard. Part. 37. 688-692
- ASTM D 3184-80. 1981. **Standard Practice for Rubber –Evaluation of NR(Natural Rubber)**, Annual Book of ASTM Standards. Part. 37. 697-699.
- Jitcharoen . J ., Chantree. P. and Chumee. J. 2003. **Apreparation of Morphous Silica from Glutinous Rice Husk at low temperature by Using Mixer acid between Hydrochloric acid and Nitric acid for Producing Silica Gel**, Golden Jubilee Conventiontull, Khon Kean University. p. SE-9
- Yoshihiro. Y. and Akira.T. n.d. **Mechanical Property of Rubber Reinforced with Rice Husk Charcoal**. Department of Materials Science, School of Engineering, The University of Shiga Prefecture, Japan . research report.
